

# NEW! ROKK | Product Range

A multi position mount for small electronic devices onboard. Install fishfinders and chartplotters at the helm, RIB console, fishing boat dashboard, nav station and more.

- Designed to be versatile. Mount anywhere onboard.
- Engineered to withstand high shock loading.
- Corrosion resistant alloy castings, anodised and powder coated for extreme marine durability.

**SCANSTRUT**  
designed for life at sea

## COMPATIBLE WITH

### PRODUCT

#### Adjustable Deck Mount

'Set and forget' system ensures zero loss of clamping force over time.

Locking design provides a rock solid platform and a high clamping force with minimal effort from user.

- 360° of rotation / 136° of tilt
- Easily adjusted. Unlock, reposition, lock again.
